D.J. Sokol Arena Inside the Wayne and Eileen Ryan Athletic Center

The Ryan and Sokol families were honored during the dedication of the facility at intermission of the Creighton vs. Texas Tech volleyball match on Aug. 28, 2009.

Wayne and Eileen Ryan pose with Billy Bluejay at the groundbreaking for the Wayne and Eileen Ryan Athletic Center and D.J. Sokol Arena.

Thanks to the generous donations of Wayne and Eileen Ryan and family, Dave and Peggy Sokol, and many others, D.J. Sokol Arena inside the Wayne and Eileen Ryan Athletic Center was dedicated on Aug. 28, 2009.

The 75,000-square-foot facility houses a gymnasium holding 2,500 fans, as well as coaches' offices and locker rooms for women's basketball, volleyball, men's soccer, women's soccer, baseball and softball. It also houses areas for ticketing, athletic training, meeting rooms, media workrooms, hospitality functions and additional academic space. In addition, the arena is used for other campus and community events, including assemblies, coaching camps and clinics, concerts, speakers and high school graduations.

Wayne and Eileen Ryan and their family have been long-time supporters of Creighton University. Wayne Ryan, BS'49, MS'51, chairman and CEO of Streck Laboratories, Inc., began his career teaching at Creighton before pursuing his passion for research that led to the founding of his company. The Ryans are also Jaybackers and their daughter, Connie, serves on Creighton's Board of Trustees.

D.J. Sokol

Dave and Peggy Sokol are honoring their son, D.J. Sokol, who died in 1999 following a battle with Hodgkin's disease, by naming the gymnasium the D.J. Sokol Arena. Sokol is a former chairman and CEO of MidAmerican Energy Holdings Company, a global leader in the production, supply and distribution of energy from diversified fuel sources and formerly served on Creighton University's Board of Trustees.

"We have been searching to find a more suitable venue for women's basketball and volleyball competitions for some time," said Creighton athletics director Bruce Rasmussen at its dedication. "Visionary donors like the Ryans and Sokols make our dreams of an even stronger athletics program, championed by intensely loyal fans, more of a reality. This Bluejay spirit is a unifying characteristic that enhances the institution's visibility and reputation."

The facility was fully funded by private donations and is home to Bluejay volleyball and women's basketball.

Home Venue History

For the fourth straight season, Creighton will play all of its home volleyball matches on campus at D.J. Sokol Arena in the Wayne and Eileen Ryan Athletic Center.

More than 182,000 bricks, 654 tons of steel and 30 miles of electrical wire were used during construction, which employed up to 115 workers at one time.

The height of the roof ridge is 78'-10" above the arena floor, with a ceiling fan measuring 20 feet in diameter spinning high above the playing surface.

Creighton has averaged over 1,040 fans per match at D.J. Sokol Arena.

In addition to a large locker room and team lounge at D.J. Sokol Arena, Creighton's volleyball program also benefits from coaching offices, a weight room and athletic training rooms in the Ryan Athletic Center. The Ryan Athletic Center houses the offices for much of Creighton's support staff, including ticketing, marketing and sports information. The school uses a Sport Court surface for its volleyball matches and practices.

Omaha, Nebraska

Think of Omaha as center court: a dynamic and unique destination in the center of the country, full of action. Omaha has this special spirit that fills the city like an arena full of fans whose team just won with a buzzer beater. Excitement abounds for what it has built, what it has accomplished and what's still ahead.

It's a spirit born on the banks of the Missouri River, a city founded in 1854 by land speculators convinced they were at the heart of something new. Soon after, the transcontinental railroad was built and Omaha emerged as a hotbed of activity and new technologies.

There is a great story about Omaha's growth in the early days that really speaks to the pioneering spirit of the city. As Omaha prepared to lay underground cables for telephones, workers were trying to figure out the easiest way to string the lines. Being an inventive bunch, Omahans solved the problem by getting ferrets to help carry the lines through the tunnels. Sounds extraordinary, but it worked. Today, Omaha is at the center of the telecommunications industry. Call for a hotel reservation from anywhere in the U.S. and you are probably calling Omaha. The city is home to the Hyatt, Marriott, Radisson, and Omni reservation centers. That infrastructure is also key to the nation's defense. Offutt Air Force Base, home to STRATCOM, is based here. STRATCOM is the nation's eyes, ears and muscle when it comes to protecting the country.

That spirit is also seen in Omaha's modern day pioneers. Warren Buffett, one of the wealthiest men in the world, is a plainspoken Omaha-born and bred financial pioneer. When Warren speaks, people listen, learn and make money. In fact, as you look at the five *Fortune 500* companies that call Omaha home, they are all innovators: Berkshire Hathaway, Union Pacific, ConAgra Foods, Mutual of Omaha and Peter Kiewit Sons'.

A view of the Omaha skyline at night. More than 800,000 people live in metro Omaha, and about 1.2 million people live within a 50-mile radius.

It's not just the business community that embodies that spirit; you can also listen to it, touch it, taste it and feel it when you visit Omaha.

Home to the world's largest indoor rainforest, next to the world's largest indoor desert under the world's largest geodesic dome, Omaha's Henry Doorly Zoo is a can't miss when you're in town. Experience what it's like to go underground and see rare creatures that only come out at night, or surround yourself with sharks as you walk through an 850,000-gallon underwater tunnel. Talk about innovative: The zoo just spent $6 million on a research facility allowing it to respond to national and international conservation needs.

Omaha's three Smithsonian-affiliated museums offer a diverse cross section of art. Gaze at a 15,000-pound glass sculpture suspended in the air at the Joslyn Art Museum, hop on board Harry S. Truman's press train at the Durham Museum, or "pilot" a fighter jet at the Strategic Air and Space Museum, home to some of the most prized and rarely displayed military aircraft. Discover how nature can seem brand new as you walk through over 100 acres of lush and rare flora at Lauritzen Gardens, Omaha's botanical center.

Omaha is a mecca to music pioneers, as the city is known by many as the nation's premier hot spot for the indie rock scene. It's home to famed Saddle Creek Records and nationally renowned bands such as Bright Eyes, The Faint and Cursive.

Omaha is a city that never forgets its past. The Old Market is the true merging of old and new. The historic warehouse district was preserved and transformed into the city's art, shopping and dining district. Unique shops and restaurants lining cobblestone streets, it's a place to remember where you've been and where you're going.

The Bob Kerrey Pedestrian Bridge S-curves its way across the Missouri River. This one-of-a-kind structure is the longest pedestrian bridge to link two states.

It's just one more example of how Omaha stays fresh and innovative, all thanks to that indelible pioneering spirit.

Creighton baseball has won consecutive MVC Tournament titles since moving to TD Ameritrade Park Omaha in 2011. The facility also hosts the College World Series annually.

Emily Greisch (2003-06)

Creighton Degree: 2007 in Nursing

"Playing volleyball at Creighton was one of the best decisions that I have ever made. I loved everything that we did together. I loved the practices, the matches, the road trips, and most of all the teammates and friends that I made throughout my four years.

"I learned so much during my time at Creighton. I got a great education in the classroom and learned many life lessons from the team. I really was able to grow as a person. I have taken so many skills that I learned while playing volleyball into my career as a nurse. Being a student athlete really helped me to understand being a true team player and it also helped me use time-management skills.

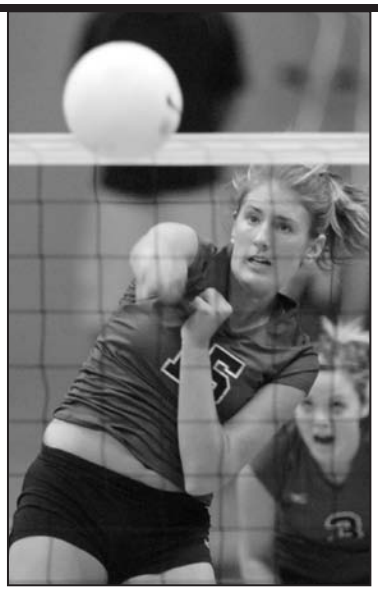
"I am so grateful for the wonderful coaching staff and the lasting friendships with my teammates. I am very excited to have been a part of Creighton volleyball's history and to see the great places the team will go in the future!"

Katie Mehal (2004-07)

Creighton Degree: 2008 in Marketing & Graphic Design

"When I look back at all the decisions I made, my choice to play volleyball for Creighton is by far the one which has influenced me the most. As I look back, I remember all of the practices and matches, but what I value most were the lessons I learned with the family I became a part of.

"As I pushed myself to become a better player, I learned discipline, hard work and perseverance. As I traveled and missed class, I learned responsibility and time-management. And as I grew throughout my four years, I learned that you can learn life skills from things other than volleyball, but the friendships will last a lifetime."



Leah Ratzlaff (2002-05)

Creighton Degree: 2006 in Psychology

"I had never even heard of Creighton when I was recruited, and now I can't imagine my life without Creighton volleyball. Being part of this program created some of the best memories I will ever have and also introduced me to some amazing people who I know I will be friends with for the rest of my life.

"The team is going to be making some huge strides this season and in the next few years. I'm just glad I'll be able to say I was there to help build the foundation and get it all started.

"I truly feel that playing volleyball has made me the person I am today. Not only did it take some qualities I already had and improve on them, like competitiveness and determination, but being part of this program also helped me develop new skills, like leadership and time-management, that will be equally as valuable in the future."

Bluejays In The Pros

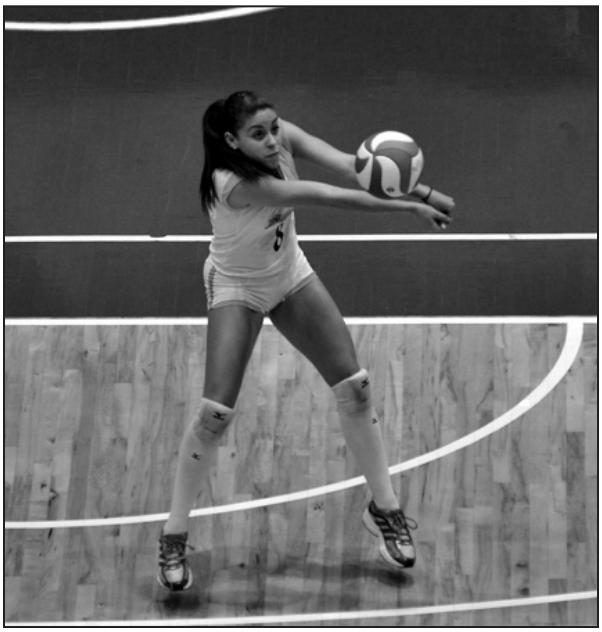
Former Bluejays In The Professional Ranks

Name	Country	Team
Amanda Cvejdlik	Albania	Marin Barleti
Kelly Goc	Albania	Marin Barleti
Nayka Benitez	Puerto Rico	Guaynabo Mets
Bianca Rivera	Puerto Rico	Bayamón Vaqueras
Korie Lebeda	Spain	Voley Murcia

Kelly Goc and Amanda Cvejdlik - Albania

Kelly Goc (#7) spent two seasons with Marin Barleti in Tirana, Albania, where she played for legendary coach Kreshnik Tartari. In 2009, Goc combined with former Bluejay teammate Amanda Cvejdlik (#14) to help win the Albania Cup.

The pair are pictured holding the championship trophy in the photo to the right.



Bianca Rivera and Nayka Benitez - Puerto Rico

Bianca Rivera's (below) first three years in the Puerto Rico's Women's Superior Volleyball League have been a huge success. Under the direction of Yarelis Rodriguez, the San Juan native was named the league's 2010 Rookie of the Year while playing for the Bayamón Vaqueras. Her team qualified for the postseason and she finished the year ranked third in the league with 5.16 digs per set. She was also third in digs per set at 5.38 in 2011 and 5.39 in 2012. Rivera participated in the league's 2010 All-Star Game. Last year, her Caguas team finished second in the league.

Nayka Benitez (left) also has played the last two years in Puerto Rico, seeing time for the Guaynabo Mets. With her as the libero, her team finished as runner-up for the league title. She was fourth in the league with 4.79 digs per set in 2012.

Korie Lebeda - Spain

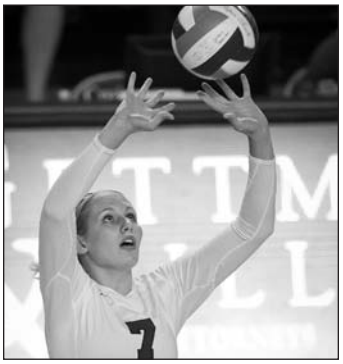
After a record-setting career at Creighton from 2005-08, Korie Lebeda (jersey at left) spent the winter of 2009 in Murcia, Spain, where she played for Voley Murcia in a league called Superliga Feminina 2. The team is located in the southeastern part of Spain about an hour from the Mediterranean Sea.

Lebeda got the call when Voley Murcia's regular setter was injured in November, joining a team that also included players from Spain, Brazil, the Canary Islands and the United States.

The Creighton volleyball team returns five starters from last year's team that finished 17-14 and took fourth in the Missouri Valley Conference.

Armed with depth at virtually every position, and another strong schedule, count on the Bluejays to surpass last year's results and put themselves into contention for a second NCAA Tournament bid in the past three seasons.

The journey will be a difficult one, with 10 matches against NCAA Tournament teams from a year ago, in addition to contests against BCS foes from South Florida, Wisconsin, Syracuse and Kansas on the agenda.



Senior Megan Bober

Setters

Creighton spent much of last year running a 6-2 offense, the first time it has done so under Kirsten Bernthal Booth.

With both Megan Bober and Michelle Sicner returning, Creighton's biggest strength also lies as its biggest question mark until a decision is made on the position.

Bober is a two-time First-Team All-MVC selection who has started all 95 matches since arriving on campus. Among the country's most versatile players, last year she led the nation and set an MVC record with nine triple-doubles.

Sicner was named to the MVC All-Freshman Team in 2011, and started matches at setter, right-side hitter and defensive specialist at various times.

Senior Heather Thorson

Middle Blockers

Creighton has four players who figure to log most of their time at the middle blocker position as the team tries to replace all-Valley selection Laurel Sanford.

Heather Thorson started all 31 matches last year, ranking second in hitting percentage and third on the team in kills and blocks. She stands to be a front-runner to reclaim her role as a senior.

A pair of sophomores with great size are also in the mix in the middle.

Kelli Browning saw time in the middle and on the right-side last year. She had a strong spring to state her case for a starting role.

Savannah Smith missed all of 2011 following shoulder surgery, but returned healthy in the spring and seeks to return to the form that saw her start 12 times as a freshman in 2010.

True freshman Lauren Smith stands 6-foot-4, and boasts great potential if she's able to overcome an injury that sidelined her for much of the summer. She won a state title on a loaded Pius X team in Lincoln as a senior in high school.

Sophomore Kelli Browning

Sophomore Leah McNary

Outside & Right Side Hitters

As many as nine women could see time as pin hitters in 2012 as the Jays experiment to find their optimal line-up.

Junior Natalie Hackbarth saw extensive time as a six-rotation player in 2011, finishing as one of two players on the team with at least 100 kills and 100 blocks.

High-flying Leah McNary was named to the MVC's All-Freshman Team in 2011 and made significant strides in the off-season thanks to 17 days of training in China.

Sophomore Katie Neisler began last season as an outside hitter, then gradually made the move to defensive specialist. She'll once again be given a chance to play all six rotations.

Another sophomore, Savannah Smith, is a candidate to split time between the right-side and the middle, after redshirting in 2011. Lizzy Stivers also redshirted in 2011 and may see time as an outside hitter in her debut campaign on the floor.

True freshman Melanie Jereb will look to make an immediate impact as a talented six-rotation player. She played on one of the nation's top prep teams, something she'll hope to continue at Creighton. Fellow newcomer Lauren Smith could also play on the right side when not in the middle.

In addition, both Megan Bober or Michelle Sicner could see time as a right-side hitter when not setting.

Senior Brooke Boggs

Liberos & Defensive Specialists

Brooke Boggs will be the veteran leader for a group of young women that will occupy the back row. The Jays have been one of the nations' top defensive teams the last five years, and have the ability to do so once again in 2012.

Boggs has appeared in 91-of-95 matches in her first three years on The Hilltop, reaching double-figures in digs on 31 occasions. She's also been a regular on the service line as a Bluejay, with 41 aces in her career.

Katie Neisler spent most of last season as a defensive specialist and was one of five Bluejays to average multiple digs per set last year.

Two players who were also prep teammates at Omaha Marian High School have joined the program and will play in the back row, Kate Elman and Ashley Jansen. It will mark the 10th straight season the Jays have had at least one former Marian player on the roster.

Elman set a state record for digs per match as a high school senior and is likely to continue the tradition of Crusaders to excel for the Jays.

Jansen spent much of her prep career as a setter, but has played defensive specialist for her club team and gives the Jays another defensive option.

Fellow freshman Lizzy Stivers redshirted last year and might also see time in the back row.

Kirsten Bernthal Booth

The only coach in Creighton's modern volleyball history to reach 150 wins, Kirsten Bernthal Booth enters her 10th season with five returning starters from a 17-win team a year ago.

Last season saw the Jays claim three First-Team All-Valley picks for just the second time in program history, including the program's first MVC Libero of the Year accolade.

Creighton's 2010 NCAA Tournament run included an inspiring first-round victory over No. 16 Iowa State, and helped the Bluejays earn votes in the year-ending top-25 poll. Add it up, and it quickly becomes evident why Booth was named 2010 National Coach of the Year by *Collegiate Volleyball Update*.

The at-large berth into the 2010 NCAA Tournament came not long after back-to-back second-place finishes in the Missouri Valley Conference resulted in near-misses to the 2007 and 2008 NCAA Tournaments.

Need another reason that Creighton is a program on the rise? Check out D.J. Sokol Arena inside the Wayne and Eileen Ryan Athletic Center. The on-campus facility opened in 2009 to rave reviews and hosted six volleyball matches involving ranked teams in its inaugural year, including Creighton's four-set win over No. 25 Wichita State. Creighton is 28-14 in its three seasons at the facility, including a 22-5 mark in MVC play.

Booth enters her 10th year as head coach at Creighton with an impressive past, both on and off the court.

Under her direction, the program has attracted two crowds of more than 12,000 while ranking in the top-50 nationally in attendance the past six years.

Creighton has gone 158-115 while averaging 1,114 fans per home match in Booth's tenure, compared to an 88-132 mark and 211 fans per match average the eight years before her arrival. All of Booth's teams have qualified for the MVC Tournament, with the five of the last six squads reaching the semifinals.

Booth's .579 winning percentage and 158 wins are best in Creighton volleyball's modern history. Added with her 112 wins in three years at Kirkwood Community College, Booth owns 270 career victories, an average of 22.5 wins per season.

In her first nine seasons, Booth has coached 14 first-team and eight Second-Team All-MVC picks, while also recruiting and coaching 10 MVC All-Freshman Team honorees. Booth's teams have also won eight AVCA Team Academic Awards while placing 24 members on the MVC Scholar-Athlete Team in that time, including 2006 CoSIDA Academic All-American Emily Greisch.

Creighton's 2010 season saw the Jays fight back from a slow start to finish third in the Missouri Valley Conference. Creighton reached the MVC Tournament finals for the first time after beating Wichita State in the semifinals, which helped secure a much-deserved at-large bid. Creighton then defeated No. 16 Iowa State in five sets in the first round of the NCAA Tournament, making the Bluejays the lone MVC representative to reach the second round. Megan Bober was named First-Team All-MVC and All-Central Region, going on to earn Honorable-Mention All-America accolades.

The 2008 Bluejay squad finished in sole possession of second place for the first time in program history after going 15-3 in league play. Playing the most difficult non-conference schedule in program history, Creighton finished 18-9 overall and had the second-best RPI of any team to not receive an NCAA bid.

That club saw Korie Lebeda close her career as Creighton 's all-time assist leader, while Jessica Houts was named MVC Defensive Player of the Year and earned AVCA Honorable-Mention All-America accolades. Omaha product Amanda Cvejdlik joined Lebeda and Houts on the All-MVC First Team, while libero Bianca Rivera was a second-team All-Valley selection.

Creighton's 2007 team finished 21-10 and tied for second in the MVC with a 14-4 record. The Jays became the first team in history to rally from an 0-2 deficit to win at UNI, and hosted a record-setting crowd (13,081) at CenturyLink Center Omaha. Lebeda set a Creighton record for career assists, Rivera a record for single-season digs, and Kelly Goc a season and career mark for hitting percentage. Goc would also become the program's first honorable-mention All-American on the court.

Booth's 2006 team won a school-record 21 matches, picking up in-season tournament titles at Montana State and Middle Tennessee, and reached the MVC Tournament semifinals. They also took a set from eventual national champion Nebraska and picked up three wins over long-time

nemesis Illinois State as well as a victory at Wichita State.

The 2005 campaign was highlighted by the program's first win at Northern Iowa, a win over Big East power Marquette, and the title at the San Diego State Invitational. The Jays would finish 16-14.

Booth's 2004 club won a then-record 18 matches while also picking up tournament titles at events hosted by New Mexico and Missouri. Creighton was also the only club in the MVC to beat the regular-season and tourney champ, Wichita State, in 2004.

In 2003, Booth inherited a team that went 3-23 prior to her arrival and improved that nearly identical squad to a 12-18 mark in her debut season at Creighton. That fall, the Bluejays helped pave the foundation for a promising future by signing five Nebraska products that composed one of the nation's most-heralded recruiting classes.

Booth has proven to be a popular coach among her players and within the Omaha community, which is a key factor in the team's record crowds, ranking among the top 50 nationally each of the last six seasons.

On the court, Booth was an all-state setter in high school at Lincoln (Neb.) East and conference MVP in college at Truman State.

Off the court, she earned Academic All-American honors and was named the 1997 Missouri NCAA Woman of the Year.

Prior to coming to Creighton, Booth went a combined 112-41 in three seasons at Kirkwood Community College in Cedar Rapids, Iowa. All three of her teams won at least 36 matches. Her first team reached the NJCAA finals before falling to St. Clair College. Her second team placed fourth nationally and her final club won 39 matches and had seven players earn academic all-conference honors. Twice, she was named District Coach of the Year.

In addition to her coaching responsibilities, she served as the school's human resource coordinator, where she was in charge of staff development and wellness for all faculty and staff at Kirkwood.

Booth served as a volunteer coach with the University of Iowa in the fall of 1997, helping to run drills and scout opponents. The following spring, she served as interim head coach while running practice and doing other assorted administrative tasks. She later earned her master's degree in higher education administration with an emphasis in athletic administration from Iowa in 2000.

As an undergrad, Booth's teams at Truman State went 101-54 with her running the offense at setter. She was named the Mid-America Intercollegiate Athletic Association Freshman of the Year in 1993, and earned All-MIAA accolades her final three seasons as well. She capped off her career in 1996 by earning MIAA Player of the Year honors and setting new school records for assists in a season (1,662) and career (6,077), the latter of which ranked third in NCAA history at the Division II level when she graduated. She remains among Truman's all-time leaders for digs (1,410), aces (127) and blocks (230) and was inducted into Truman State's Athletic Hall of Fame in October, 2011.

She was also a member of the Student Senate at Truman State, where she graduated magna cum laude with a degree in communications.

Growing up, Booth excelled in both tennis and volleyball at Lincoln East High School, where she is a member of the school's Athletic Hall of Fame. In tennis, she was a three-time All-American and two-time state champion at No. 1 singles. She was also a second-team all-state volleyball player.

Booth and her husband, Erik, reside in Omaha. The couple has three daughters: Reese (7), Hayden (5) and Berkeley (1).

Year-by-Year Under Kirsten Bernthal Booth

2011 (17-14, 12-6 MVC, Final RPI of 74)
Creighton finished the 2011 season with a 17-14 mark, falling in the quarterfinals of the State Farm MVC Tournament. The Bluejays tied a program record with three First-Team All-MVC picks (Megan Bober, Laurel Sanford and MVC Libero of the Year Julianne Mandolfo). Bober set an MVC record with nine triple-doubles, while Mandolfo set CU single-season records for digs and digs per set. Two women, Leah McNary and Michelle Sicner, were named to the MVC's All-Freshman squad. The Jays went 5-2 in five-set matches.

2010 (21-12, 13-5 MVC, Final RPI of 32)
Creighton's best season in program history sees the Bluejays make their first NCAA Tournament, upset No. 16 Iowa State, and coach Kirsten Bernthal Booth claim National Coach of the Year honors from CVU.com. Creighton finished third in the MVC, the nation's No. 6-ranked conference, and then broke down another barrier by reaching its first conference tournament final. The Jays earn an at-large bid, beating Iowa State in five sets, before falling at No. 12 Minnesota to end the year. Sophomore setter Megan Bober was named First-Team All-MVC and Honorable-Mention All-American as part of a balanced squad that ranked second nationally in digs per set (18.94 dps.).

2009 (14-17, 10-8 MVC, Final RPI of 86)
Creighton opens the D.J. Sokol Arena inside the Wayne and Eileen Ryan Athletic Center, setting a school record with 10 home wins. Creighton beats No. 25 Wichita State on Oct. 2 for its first win over a ranked opponent ever, and hosts the Missouri Valley Conference Tournament for the first time at year's end. The team overcomes a 3-8 non-conference mark with a fourth-place finish in the MVC. Jessica Houts is named First-Team All-MVC to lead a Creighton defense that ranked third nationally in blocks per set.

2008 (18-9, 15-3 MVC, Final RPI of 46)
Once again Creighton narrowly misses an NCAA bid, finishing with the second-best RPI of any team left out of the field. The Jays dropped key five-set matches to No. 21 LSU and UAB early in the year and a chance to pick up some key wins was lost when a tournament was cancelled due to a hurricane in Texas. Creighton cruises through the league with a best-ever 15-3 mark, including a 3-0 sweep of UNI on the last weekend of the year, to finish alone in second-place and set a program record with an eighth straight win. However, the Bluejays dropped a five-set match to UNI in the MVC Tournament semifinals. Jessica Houts is named MVC Defensive Player of the Year and Honorable-Mention All-American and joined teammates Korie Lebeda and Amanda Cvejdlik on the All-MVC First Team.

2007 (21-10, 14-4 MVC, Final RPI of 56)
Creighton does not receive an NCAA Tournament at-large bid despite wrapping up a second straight 21-10 campaign. The Jays tie for second in the MVC but despite one of the nation's top-15 toughest non-conference schedules, aren't among four MVC teams selected to the NCAA's. Kelly Goc and Korie Lebeda both repeat as First-Team All-Valley picks, with Goc also named an Honorable-Mention All-American. Allie Oelke is MVC Freshman of the Year, while libero Bianca Rivera sets new single-season dig marks. Creighton averages a record 1,860 fans per match, hosting more than 13,000 at CenturyLink Center Omaha for a Sept. 2 contest against Cal Poly.

2006 (21-10, 12-6 MVC, Final RPI of 57)
Creighton's first team to win 20 or more matches ranked among the national leaders in attendance as well. A five-set road win at Wichita State and exciting four-set match against eventual national champion Nebraska before more than 12,000 fans prove the program has reached unprecedented heights. Kelly Goc and Korie Lebeda are both named First-Team All-Valley as the Jays beat three teams that reached the NCAA Tournament.

2005 (16-14, 10-8 MVC, Final RPI of 124)
A road win at Northern Iowa highlights a 16-14 season. Leah Ratzlaff repeats her All-MVC honors and finishes 12th in league history in career kills. Freshman Korie Lebeda led the MVC with a school-record 13.34 assists per set and was joined by talented Jessica Houts and Amanda Cvejdlik in one of Creighton's top recruiting classes ever.

2004 (18-11, 10-8 MVC, Final RPI of 95)
A then-school-record seven-match winning streak that included wins at Missouri, New Mexico and Iowa helped Creighton set a record with 18 wins. Leah Ratzlaff is First-Team All-MVC, while Carolyn Decker and Kelly Goc are named to the MVC's All-Freshman Team.

2003 (12-18, 9-9 MVC, Final RPI of 170)
With virtually the same personnel, Booth's first team improves its win total from 2002 by nine wins to finish 12-18. The season marks the program's move to the Omaha Civic Auditorium, and attendance records fall. Single-season school records were set for kills (Leah Ratzlaff), digs (Janeen Piller), blocks (Ashley Williams) and assists (Brittany Coleman).

Assistant Coaches

Angie Oxley Behrens

A former national champion and four-year starter at the University of Nebraska, Angie Oxley Behrens returns for her 10th season as an assistant coach at Creighton. An original member of Kirsten Bernthal Booth's staff, she is the longest tenured assistant coach in program history.

Behrens works closely with Creighton's outside hitters while also assisting with scouting and recruiting.

The last nine years have seen the Creighton team record its top six single-season kill totals all-time, as well as the top five individual single-season marks that were set by Leah Ratzlaff, Alicia Runge and Kelly Goc.

Behrens has also trained five players to a spot on the MVC's All-Freshman Team, middle blockers Goc (2004) and Jessica Houts (2005) as well as outside hitters Carolyn Decker (2004), Allie Oelke (2007) and Leah McNary (2011). Oelke became the program's first player named Valley Freshman of the Year as well.

Behrens has seen Creighton go 158-115 in her nine completed seasons on the bench, including the program's first NCAA Tournament win in 2010.

While at NU, Behrens won three Big 12 titles, was named 1997 Big 12 Freshman of the Year and was chosen as the University's female student-athlete of the year in 2001 after leading the Cornhuskers to a 34-0 mark and national title in the fall of 2000 as a senior.

She closed her career as the NU's all-time digs leader with 1,086.

In the classroom, Behrens was a Chancellor's Scholar and four-time Highest Honors Distinction Medal honoree. She also was a four-year academic All-Big 12 selection, a recipient of an NCAA Postgraduate Scholarship and one of 10 finalists for the 2001 NCAA Woman of the Year. She was also a member of the Mortar Board Honor Society, Pi Lambda Theta Honor Society, Golden Key, 2000 Homecoming Royalty Court and the Dean's List.

Along with her coaching duties, Behrens helps organize Creighton's volleyball camps in addition to her role in the Bluejay compliance office.

Behrens and her husband, Matt, were married in 2006. The couple resides in Lincoln with their son, Logan (2).

Tom Mendoza

Tom Mendoza begins his third year as an assistant coach at Creighton.

Mendoza serves as the program's recruiting coordinator, and aids with practice, scouting and other facets of the program. He also works directly with Creighton's setters and middle blockers.

Last season, Mendoza's pupils featured First-Team All-MVC picks Laurel Sanford and Megan Bober, as well as All-Freshman honoree Michelle Sicner. He helped with the mid-season implementation of a 6-2 offense that gave opponents fits throughout the year.

In his first season, Creighton went 21-12 and advanced to its first NCAA Tournament, where the Jays defeated nationally-ranked Iowa State.

He was hired at Creighton in June, 2010 after spending the 2009 season at the University of Evansville. While with the Purple Aces, Mendoza worked with the setters, outside hitters and primary passers. He also recruited for the Purple Aces program.

Mendoza, a native of Buffalo Grove, Ill., arrived at UE after spending two seasons as the volunteer assistant at Michigan State. While at Michigan State, Mendoza and the Spartans appeared in the NCAA Sweet 16 in 2007. He also served on the Michigan State volleyball summer camp staff in 2007 and 2008 and was the director of Spartan Session volleyball camps and clinics.

A three-year letterwinner in volleyball at Newman University and a one-year letterwinner at Lewis University, Mendoza had an outstanding playing career. He was a 10-time Mid-America Men's Volleyball Intercollegiate Conference Setter of the Week and was a three-time all-conference selection. During his playing career, he was also named a NAIA All-American.

Mendoza served as the head coach of the Spartan Junior 16 Girls club team that finished first in the Michigan Power League. He was also the head coach for the Juggernaut Volleyball Club in Wheat Ridge, Colo., and the Sports Performance 15 Elite Boys that earned fifth place at the Junior Olympic Nationals.

Mendoza received his bachelor's degree in management information systems from Lewis University in Romeoville, Ill.

He is single and resides in Omaha.

Amanda (Gates) Sjuts

Former University of Nebraska middle blocker Amanda (Gates) Sjuts enters her third season as a volunteer assistant at Creighton.

Sjuts' primary responsibilities are helping with practices -- specifically training middle blockers -- as well as some administrative tasks.

A native of Columbus, Neb., she competed at Nebraska from 2005-08 under her maiden name of Amanda Gates. She enjoyed a decorated career with the Huskers as part of a senior class that went 127-8 over four years as the Cornhuskers won the national title in 2006, were NCAA runners-up in 2005, reached the NCAA Tournament semifinals in 2008 and the NCAA quarterfinals in 2007.

In 2008, she was named a CoSIDA/*ESPN The Magazine* First-Team Academic All-American in addition to honorable-mention All-Big 12 accolades, while serving as a Husker tri-captain. She was a recipient of Postgraduate Scholarships from both the NCAA and Big 12 Conference, a two-time first-team Academic All-Big 12 pick and was a nine-time selection to the Big 12 Commissioner's Honor Roll.

She resides in Omaha with her husband of two years, Anthony.

The Missouri Valley Conference

From early beginnings to its current standing on the map of college athletics, the Missouri Valley Conference continues to be proactive as The Valley enters its 106th season of athletic competition in 2012-13. The nation's second-oldest NCAA Division I conference is a leader in college athletics and is one of the nation's most progressive conferences.

In what has become a wild, unpredictable climate in collegiate athletics, the Missouri Valley Conference has remained strong and stable. Notably, 19 of the nation's 31 Division I conferences have new membership for this season, and all but five of those conferences have undergone a transformation in membership since 2000. Notably, the Missouri Valley Conference's current 10-member composition has remained the same since 1996 – and only two leagues (Ivy, Patriot) can match that continuity.

The Valley brand remains very strong, both regionally and nationally, and the great athletic tradition of The Valley remains a compelling force in recruiting student-athletes and in marketing all the MVC programs.

Men's basketball continues to be the engine that drives Valley athletic programs. With UNI's NCAA Sweet 16 appearance in 2010, the league has had four different Sweet 16 teams since 2006, and The Valley is the only non-BCS league with more than two different Sweet 16 teams in that span. The MVC Tournament continues to be a spectacular showcase for the league, and the MVC has extended the tournament agreement with the Scottrade Center that will keep Arch Madness in St. Louis through at least 2015. During the 2011 MVC Championship, the league surpassed 1 million in total attendance for the event, now in its 23nd year.

Last year, the league matched a record with seven post-season teams, while Creighton and Wichita State represented the MVC in the NCAAs, marking the first time since 2007 that the league had received multiple NCAA bids. Creighton's Doug McDermott became the first league player to earn First Team All-America honors since 1988. For the first time, the league had two ranked teams in the MVC Tournament (Creighton and Wichita State), while Creighton finished the season ranked No. 21 in the coaches' poll (taken after season's end). Wichita State (18) and Creighton (19) represented the MVC in the final regular-season writer's poll (March 12, 2012), marking the first time since 1974-75 that two MVC teams had been ranked in a season-ending AP poll.

While the success of men's basketball has received the greatest attention, the overall performance of league teams in virtually every sport continues to raise the national profile of the conference.

In men's soccer, Creighton reached the 2011 College Cup semifinals, falling in a shootout to Charlotte. Bradley and Creighton -- who shared the regular-season MVC title with Missouri State -- represented the MVC in the NCAA Championship. Bradley also won a match before falling in the second round. In 2011, Creighton ended the year with a 21-2-1 record as it recorded 19 shutouts, falling one shy of the NCAA record. CU's 0.20 goals against average on the year set an NCAA record, while All-American goalkeeper Brian Holt also set an NCAA record by posting a 0.206 GAA. Creighton led the NCAA with four soccer All-Americans, Holt was named a Lowe's Senior CLASS Award winner and Academic All-American of the Year.

In women's basketball, the league set an all-time record with seven post-season bids, while 2012 marked the 13th-straight season in which the Valley earned at least three post-season bids. The Conference remains committed to keeping the tournament at a neutral site at the Family Arena in St. Charles as establishing a neutral site remains a huge part of the overall efforts to improve women's basketball in The Valley.

In volleyball, UNI, Missouri State and Wichita State represented the league in the NCAA Tournament. It marked the sixth-straight season that multiple MVC teams were invited to the dance. Notably, UNI has now won 61-straight matches against Missouri Valley Conference competition.

In baseball, Indiana State won its first regular season title since 1985, the program's first outright title, while five Missouri Valley Conference teams – Evansville, Illinois State, Indiana State, Missouri State and Wichita State – passed the 30-win threshold, marking the sixth-straight season in which at least four MVC teams have reached 30 wins. For the fifth time in league history, three Missouri Valley Conference baseball teams were selected for the NCAA Baseball Championship. It marked the first time since 2007 that multiple MVC teams were invited to the dance, and the first time since 2000 that three league teams were selected.

In track & field, the league picked up three more national championships, and has now produced 13 national champions in the sport in the past six years.

Meanwhile, the success of The Valley television package is one of the great stories in the league. The MVC Television Network has blossomed into a revenue-generating vehicle and The Valley's most visible marketing tool. Also, The Valley is making video-streaming a major focus as it enters the third year of a three-year plan to upgrade the production and marketing of both institutionally-produced and conference-produced webcasts.

In 2010, The Valley took a major step toward ensuring current revenues in television media and tournament sponsorship sales would be guaranteed in future years when it announced a 10-year partnership with Learfield Sports. The Jefferson City, Missouri-based company now has the exclusive sales and marketing rights to MVC assets that include championships and television advertising.

During the tenure of Doug Elgin, The Valley's ninth and longest-tenured commissioner, The Valley has been aggressive in hosting NCAA events in St. Louis. Since 1998, the MVC served as host for a staggering nine NCAA tournament events in the 13-year period, which has made St. Louis one of the most frequent stops on the NCAA Tournament trail. The Valley hosted Women's Final Fours in 2001 and 2009, and the Men's Final Four in 2005. The league will host an NCAA second- and third-round men's basketball event in Kansas City in 2013 and assisted Creighton with preliminary round men's events in both 2008 and 2012.

The seeds for the creation of the conference were planted by eight administrators representing five institutions, who met at the Midland Hotel in Kansas City, Mo., on Jan. 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri and Nebraska. Two months after the initial meeting, two more schools -- Drake University and Iowa State College -- were admitted.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track & field (indoor and outdoor), men's and women's golf, men's and women's soccer, softball, women's swimming and diving, men's and women's tennis, and women's volleyball.

Athletic accomplishments include four NCAA national basketball championships, 16 trips to the NCAA Final Four, a 1989 national baseball championship and 19 College World Series qualifiers. The league owns a total of 30 post-season national team championships, including Wichita State's men's basketball NIT title in 2011.

Indeed, the inclusion of women's programs under The Valley banner has provided a boost. The Gateway Collegiate Athletic Conference -- which began in 1982 -- merged with the Missouri Valley Conference and was unveiled as part of the new conference on July 1, 1992.

And while the inclusion of women's sports under a comprehensive athletic umbrella is a recent development in the league's storied history, over the years, Valley student-athletes and coaches have become household names during the league's illustrious history, both during their collegiate careers and, for some, professional careers.

In fact, The Valley began honoring that tradition in the summer of 1997, when the conference began its athletics Hall of Fame. Hersey Hawkins of Bradley, Larry Bird of Indiana State, Wes Unseld of Louisville, Coach Henry Iba of Oklahoma State, Dave Stallworth of Wichita State, Ed Macauley of Saint Louis, and Oscar Robertson of Cincinnati were members of the initial class. Currently, nearly 80 former players, coaches and alums dot the league's Hall of Fame.

Men's basketball, perhaps, has the league's most storied tradition with the likes of Hall of Famers Bird and Robertson, but The Valley has also produced national-caliber student-athletes in its other sponsored sports. In the fall of 1997, Creighton's Johnny Torres was named the collegiate male soccer player of the year for a second-straight year, while SMU's Luchi Gonzalez (2001) and Tulsa's Ryan Pore (2004) have also earned a National Player of the Year honor in men's soccer. Meanwhile league member Wichita State has produced three national collegiate players of the year in baseball, including Joe Carter (1981), Phil Stephenson (1982) and Darren Dreifort (1993).

League members include Bradley, Creighton, Drake, Evansville, Illinois State, Indiana State, Missouri State, Northern Iowa, Southern Illinois, and Wichita State. Central Arkansas and Southern Illinois-Edwardsville are affiliate members in men's soccer.

Digs and Digs Per Set

A **dig** is awarded when a player passes the ball that has been attacked by the opposition. Digs are given only when players receive an attacked ball and it is kept in play, not when a ball is brought up off a "put back" (blocked ball).
Digs Per Set = Digs / Sets Played

Block Solos and Block Assists

A **block solo** is awarded when a single player blocks the ball into the opposition's court leading directly to a point. That player must be the only blocker attempting to block the ball.
A **block assist** is awarded when two or three players block the ball into the opponent's court for a point. Each player blocking receives a block assist even if only one player actually makes contact with the ball.

Head Coach History

Ben Guiliano

Ben Guiliano helped lay the groundwork for Creighton volleyball as the man in charge when Creighton reinstated volleyball prior to the 1994 season. Guiliano guided the Bluejays from 1994-96 and posted a 25-58 record in that time.

Howard Wallace

Howard Wallace took over prior to the 1997 season and led the Bluejays to four Missouri Valley Conference Tournament appearances in his six years on the job. In 1997, Wallace was named the MVC's Co-Coach of the Year after guiding the Jays to a third-place finish in league play. He owned a 68-94 record in six seasons on the Bluejay bench.

As a Jesuit university, Creighton is committed to academic excellence and service to others and seeks to create an inclusive, diverse community.

In addition to the College of Arts and Sciences, which enrolls 22 percent of the University's students, Creighton includes the College of Business, the Graduate School, and the Schools of Dentistry, Law, Medicine, Nursing, Pharmacy and Health Professions, and University College.

The 2012-13 freshman academic profile places Creighton among the Top 6 Private Midwestern Universities with more than 4,000 undergraduates and among the Top 10 Catholic Universities in the nation.

For the ninth year in a row, Creighton is the No. 1 Midwest regional university in the annual *U.S. News & World Report* magazine's college rankings. *U. S. News* also recognized Creighton for the fifth time as a "best value" university for giving students the best return on their tuition investment. Creighton was also given a nod for helping undergraduates thrive through service-learning programs, which incorporate community involvement into classroom instruction.

The *Princeton Review* listed Creighton as one of the nation's top 376 colleges and universities in its 2012 college guide and *Forbes* ranked Creighton as No. 171 out of the 650 best undergraduate institutions that focus on quality of teaching, great career prospects, graduation levels and low levels of debt.

Creighton University also has been recognized as an economic driver, community service advocate and urban developer in a Top 25 national ranking. In 2012, the University was named for the fifth year to the President's Higher Education Community Service Honor Roll with Distinction for exemplary service for its efforts and service to disadvantaged youth.

The Creighton Campus

Creighton is committed to being a model living-learning campus environment. The 130-acre campus is located within walking distance of downtown Omaha and many recreational, cultural and entertainment opportunities. The campus design and master plan have received top awards in landscape and architecture.

Since 2000, Creighton has invested more than $265 million in on-campus improvements and planned expansion to create a more vibrant and robust campus:

- Michael G. Morrison, S.J., Stadium, the region's only athletic facility designed exclusively for soccer. The stadium hosts high school, club and international soccer events and a variety of Omaha community events.
- The Hixson-Lied Science Building, the renovated Rigge Science Building and Criss Health Sciences Building form the centerpiece of Creighton's undergraduate and health professions' leading approach to teaching and research.
- Davis Square and Opus Hall are upperclassman townhome residence halls located on the east side of campus.
- The Wayne and Eileen Ryan Athletic Center and D.J. Sokol Arena serves as an on-campus home to Bluejay women's basketball and volleyball.
- The Rasmussen Fitness and Sports Center will open in late 2012.
- The Mike and Josie Harper Center for Student Life and Learning serves as Creighton's front door, warmly welcoming students, prospective students, parents, members of the community and all other visitors.

At the center of campus is the heart of the University, the historic and recently restored St. John's Church, as well as the California Street Mall, the Lied Education Center for the Arts, the V.J. and Angela Skutt Student Center and the Kiewit Fitness Center.

History of Billy Bluejay

"Billy Bluejay" is the official mascot of the Creighton University athletics department. The Bluejays were originally depicted by a "birdwatcher's bluejay," but that was changed in 1941 when Joseph P. Murphy, a Creighton alumnus, designed the current version of Billy, one with a more human stance and expression.

Prior to 1924, Creighton teams were referred to as the "Hilltoppers," but that name lost favor because at least six other teams in the country also used the same nickname. The *Omaha Bee* assisted the University's Athletic Board and Alumni Association in finding a new nickname by asking readers to submit possibilities. After reviewing 200 entries, the Athletic Board decided upon "Bluejays" because of the school's colors, blue and white.

Today, Creighton remains the only NCAA Division I athletics program known officially as the Bluejays.

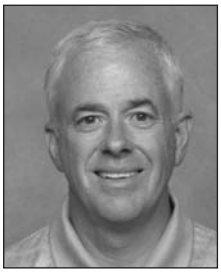
Creighton Director of Athletics / President



Director of Athletics Bruce Rasmussen

The dean of MVC Athletic Directors and a 2008 inductee into the Omaha Sports Hall of Fame, Bruce Rasmussen enters his 19th year as director of athletics, and 33rd overall at Creighton University.

During Rasmussen's tenure, Creighton has risen to prominence with its success on-and-off the field, impressive facilities and record-breaking fundraising efforts.

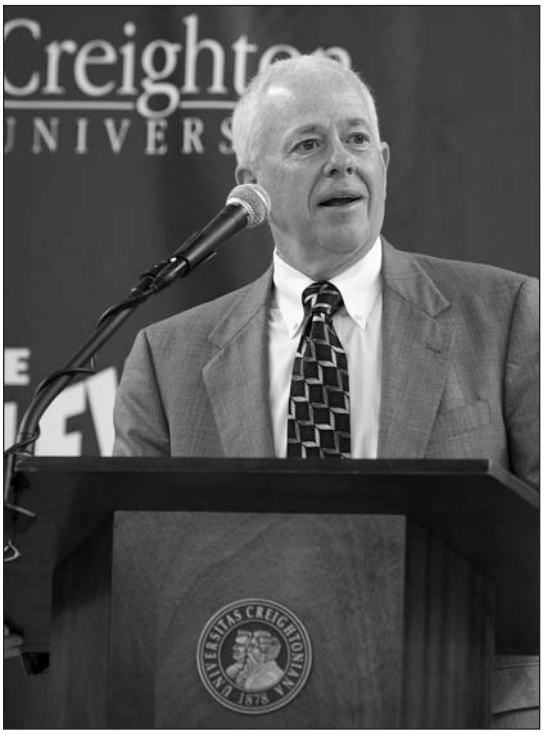
For evidence, look no further than three recent projects that will continue to change the area athletics scene for years to come. The Wayne and Eileen Ryan Athletic Center and D.J. Sokol Arena opened in 2009 and immediately gave Creighton's women's basketball and volleyball teams a top-notch facility to call home. East of the Ryan Athletic Center will be Creighton's new student recreation center that was named the Rasmussen Center in his honor and will stand as one of the centerpieces on the Creighton campus when it opens this fall. Last but not least is the completion of TD Ameritrade Park Omaha, home to Bluejay baseball and the College World Series, which opened in 2011 to rave reviews.

Those projects add to an overhaul in the school's athletic facilities over the past decade, which has also seen Creighton begin play at two of the finest facilities nationwide -- Michael G. Morrison, S.J., Stadium (soccer) and CenturyLink Center Omaha (men's basketball).

Since Rasmussen assumed the role of athletics director, Creighton has won 23 regular-season and 33 conference tournament titles, which have helped lead to 60 postseason appearances. The Bluejays are the only school in the 106-year history of the Missouri Valley Conference to make 15 straight men's basketball postseasons, and have made the NCAA Tournament in men's soccer in 19 of the past 20 years. The Creighton softball team has made six NCAA Tournament appearances in the last 10 years.

Creighton has also been recognized with the MVC All-Academic Award in seven of the last eight seasons, including a record 3.37 GPA last spring by student-athletes.

A member of the College World Series of Omaha, Inc., Executive Committee, Rasmussen continues to play a vital role in Creighton and the city of Omaha remaining as host of the College World Series. He was one of six individuals on the CWS Oversight Committee that helped decide the location for the new downtown TD Ameritrade Park Omaha, which will help keep the CWS here for another 25 years. With Creighton serving as host, the CWS has welcomed more than 300,000 fans in each of the last seven years.



Rasmussen was one of four regional winners from the National Association of Collegiate Directors of Athletics (NACDA) to take home a 2004 GeneralSports TURF Systems AD of the Year Award, and in 2010 was again honored with an Under Armour AD of the Year award by the National Association of Collegiate Directors of Athletics.

Creighton's reputation as one of the nation's top academic institutions is reflected in the success the Bluejay student-athletes have had in the classroom during Rasmussen's service as athletics director. Creighton's baseball, men's basketball, women's basketball, volleyball, men's and women's cross country, women's soccer and men's and women's tennis teams all have received national awards for their academic success. Bluejay student-athletes consistently own GPAs of 3.25 or above.

Creighton's primary annual athletics fundraising events are the Bluejay Bash and the Bluejay Jamboree. Under Rasmussen's leadership, each of these events continues to raise record-breaking funds for Creighton athletics. Most notably, the 2011 Jamboree generated more than $325,000 through its gourmet dinner, raffle and auction.

Rasmussen accepted the associate athletics director position in 1992 after a 12-year run as the winningest coach in Creighton women's basketball history (196-147), culminating in the program's historic 1991-92 season.

The 1992 Western Athletic Conference Coach of the Year, Rasmussen led the 1991-92 Bluejay women to a program-record 28 wins (28-4), the WAC regular-season and tournament championships and a first-round NCAA Tournament victory in the program's first-ever trip to the "Big Dance." With that 28-4 record in 1991-92, Rasmussen completed his college coaching career with a 196-147 record, good for a .571 winning percentage.

After serving as associate athletics director for two years, 1992-94, Rasmussen was named athletics director on Aug. 1, 1994.

A native of Webster City, Iowa, Rasmussen and his wife, Jill, have five children: Megan (27), David (25), John (21), Katy (17) and Grace (14).

President Timothy R. Lannon, S.J.

Timothy R. Lannon, S.J., is Creighton University's 24th president and the first Creighton alumnus to head the University.

Fr. Lannon became president in 2011, after having served eight years as president of Saint Joseph's University in Philadelphia. At Saint Joseph's, he led the university's most successful fundraising campaign, enlarged the campus by 38 acres, and revised the undergraduate core curriculum, boosting Saint Joseph's academic and national profile. Previously, he served as associate executive vice president and vice president for University Advancement at Marquette University.

Fr. Lannon serves on the boards of Marquette University, Santa Clara University, Boston College, and the Association of Jesuit Colleges and Universities (AJCU) of which he was chair from 2009-2011. He has studied, written and presented on the topic of Catholic identity at American universities. He has been a trustee of the College of Holy Cross, Fairfield University and Saint Joseph's University.

He graduated from Creighton in 1973 with a bachelor's degree in mathematics, and was president of the Student Board of Governors. Fr. Lannon holds two master's degrees from Weston Jesuit School of Theology (now Boston College School of Theology and Ministry); and a doctorate in administration, planning and social policy from the Graduate School of Education at Harvard University.

A native of Mason City, Iowa, Fr. Lannon entered the Society of Jesus in 1977 and was ordained a priest in 1986 at St. John's Church on the Creighton campus. He began his professional career as an admissions counselor at Creighton and honed his educational and administrative skills as an instructor and assistant principal at Marquette University High School, an instructor at Boston College, and an assistant professor at Marquette University. He was president of Creighton Preparatory School from 1988 to 1995.

Fr. Lannon received Creighton University's College of Arts and Sciences Alumni Merit Award in 1993 and has been inducted into Creighton Prep's Hall of Fame. As an undergraduate, he received Creighton's highest student honor, the Spirit of Creighton Award, in 1973.

The Academic Progress Report is intended to gauge the progress student-athletes are making to degree completion and graduation. In the spring of 2012, Creighton had four teams post multi-year APR scores in the top 10 percent of all squads in their respective sports: men's soccer, women's tennis, women's golf and women's volleyball.
- 102 of Creighton's 229 student-athletes (44.5 percent) earned a 3.5 GPA or better during the spring 2012 semester. Seven of these athletes were Creighton volleyball players.
- Creighton had 141 student-athletes make the Dean's List at least once last year, including 70 student-athletes who earned the honor both semesters.
- Twenty-two student-athletes (9.6 percent), including volleyball players Megan Bober and Natalie Hackbarth, earned perfect 4.0 GPAs during the spring 2012 semester.
- 177 student-athletes (77.3 percent) earned a 3.0 GPA or better in the spring 2012 semester.
- Nine teams (women's basketball, crew, men's cross country, women's cross country, women's golf, softball, men's tennis, women's tennis and volleyball) had team GPAs of 3.3 or better last spring and every team owns a cumulative GPA of 2.9 or better.
- Creighton had three teams earn national academic awards in 2011-12. The men's cross country team was recognized by the U.S. Track & Field and Cross Country Coaches Association NCAA Scholar Team, while both the men's and women's tennis teams were honored by the ITA as an All-Academic Team.
- Creighton owns 36 Capital One/CoSIDA Academic All-American honors. Last year the Creighton men's soccer team had three representatives (Brian Holt, Ethan Finlay and Jace Peters), with Holt being named the Capital One/CoSIDA Academic All-American of the Year. Creighton Volleyball Continues Academic Excellence

Creighton University volleyball has been honored by the American Volleyball Coaches Association as a recipient of the AVCA Team Academic Award in eight of the nine years with Kirsten Bernthal Booth as head coach.

The award, initiated in the 1992-93 academic year, honors teams that displayed excellence in the classroom by maintaining at least a 3.30 cumulative GPA.

Last year Megan Bober was named a first-team choice on the Missouri Valley Conference Scholar-Athlete team, giving Creighton 18 such selections in the past nine seasons.

The Bluejays also had three players earn a total of four recognitions as MVC Scholar-Athlete of the Week in 2011, as Megan Bober (twice), Natalie Hackbarth and Heather Thorson were all honored. Creighton now owns 18 Scholar-Athlete of the Week volleyball awards all-time from the MVC.

The Creighton volleyball team owned a 3.33 GPA last spring and owns an impressive cumulative team GPA of 3.26.
